SPARKLING FINESSE

*Once a great wise sage spoke of a spark, a glow which would consume the planet with its intensity. These maidens were born seen after, and from a very young age glowed brighter than the remaining universe. Today, their sparkle and that of their dazzling clothes have infected the universe with their inherent charm. The prophecy came true!*

*Their patterns have been designed to rival their features: perfect to the smallest degree. Some consider them illusions, judging from their perfection. And when they realize that these diamonds do truly exist, they marvel upon the richness of existence. And the richness of the threads that adorn them.*

*Women from all over the world work in vain. They look for the craftsman who's created the spellbinding dress that now adorns you, and wish in turn for them to create the same for them. Little do they know that the sari you now wear handpicked you as the recipient of this eternal gift. The spell of class, and you are inseparable.*
