*Practical sarees have gone through a lot of changes for decades. For instance, sarees were once heavy, practical sarees in the past. They had a different look than the ones you see today. It is because the traditional sarees were made for the use of the population in the past. They were made of heavy fabric, which is why they were the choice of many women. Today, sarees have become more practical and are made of lighter fabric, which is why they are more popular in the market.*
