"What's my style is not your style,
and I don't see how you can define it.
It's something that expresses who
you are in your own way."

"What's my style is not your style, and I don't see how you can define it.

"Don't die into trends. Don't
make fashion own you, but
you decide what you are,
what you want to express by
the way you dress and the
way to live."
